

## Our Vision & Mission

### Vision

Murray Human Services Inc. envisions a society in which all people are valued. Successful inclusion requires us to work in partnership with the community to eliminate barriers and to promote abilities.

### Mission

The mission of Murray Human Services Inc. is to be a major resource for people with support needs. We dedicate ourselves to the enhancement of quality of life for the people we serve through the provision of a range of services that meet their individual needs. In doing so we will work towards their maximum integration with the wider community and a lifestyle which equals that of other community members. We are committed to client involvement in every aspect

Did you know?

That when you donate to the big statewide services, none of this is allocated for services to people with the disabilities in your area

Did you know ?

That the funding from the Government covers only 55% of the actual costs of service.
